1. Content Removal – Mentor Match Rate Stat

Remove the following stat from the page:

- **“Cohort 7 — Mentor Match Rate”**
- **“98%”**
- **“Startups matched within 7 days”**

This content should be completely removed from the visible interface.

2. Styling – “Mentorship Impact” Badge

In the **“Mentorship Impact”** section:

- Set the **badge background color** to **`#4C808A`**.
- Set the **“Impact”** text color to **`#FFFFFF`** (white).

This keeps the badge aligned with the platform’s established color palette and improves readability.

3. Styling – “Meet Our Mentors” Section

In the **“Meet Our Mentors”** section:

- Set the **“Our Network”** badge background color to **`#4C808A`**.
- Set the **badge text** color to **`#FFFFFF`** (white).
- Add a **hover animation effect** to the mentor slides so they are highlighted or featured with a smooth animation when hovered.

This will improve the visual emphasis on mentor profiles and make the section feel more interactive.

4. Styling – “Areas of Expertise Needed” Badge

In the **“Areas of Expertise Needed”** section:

- Set the **“Where You Fit”** badge background color to **`#4C808A`**.

This keeps the badge consistent with the platform’s main accent color and overall visual system.

5. Mentorship Models – Styling and Content Removal

In the **Mentorship Models** section:

- Set the **“Engagement Models”** badge background color to **`#4C808A`**.
- Set the **badge text** color to **`#FFFFFF`** (white).

Comment out the following items so they are hidden from the page while remaining in the code for possible future use:

- Group Mentoring
- Cohort Mentoring
- Office Hours

This keeps the section visually consistent and simplifies the displayed content.

6. Styling – “The Mentor Lifecycle” Badge and Steps

In the **“The Mentor Lifecycle”** section:

- Set the **“Your Journey”** badge background color to **`#4C808A`**.
- Set the **badge text** color to **`#FFFFFF`** (white).
- Set the text for **Step 1 through Step 9** to **`#FFFFFF`** (white).

This will keep the section consistent with the platform’s established color scheme and improve readability.

7. Content Removal – “Who Can Register as a Mentor?”

In the **“Who Can Register as a Mentor?”** section:

- **Comment out** the **Eligibility** badge, along with its text.
- Keep the code in place for potential future reuse, but hide it from the rendered page.

This removes the badge from the visible interface while preserving the implementation for later adjustments.

8. Content Update – Alumni Profiles

In the **“Where Are They Now? Thriving”** section:

- Replace **“Malawi”** with a specific **Malawian district name** of your choice across all alumni profiles.
- Apply this change consistently to **every alumni profile** displayed in the section.
- Remove the **“Malawi” badge** shown on the right side of the alumni images.

For consistency, you could use a district such as **Blantyre**, which is a major district in Malawi.

9. Styling and Text Update – Alumni Section

In the **Alumni** section:

- Set the **badge background color** to **`#4C808A`**.
- Set the **names/text color** to **`#FFFFFF`** (white).

For the entry **"Class of 2023 Emerge4Biz · Cohort 3"**:

- Remove the **dot separator** (·).
- Add a **comma** immediately after **"Emerge4Biz"**.

So the text should read more like: **"Class of 2023 Emerge4Biz, Cohort 3"**.

10. Styling – Badge Colors

In the following sections, update the badge styling as specified:

- **Voices from Our Ecosystem**: Set the **"Testimonials"** badge background color to **`#4C808A`** and the badge text color to **`#FFFFFF`**.
- **Your Roadmap from Idea to Impact**: Set the **"Entrepreneur Journey"** badge background color to **`#4C808A`** and the badge text color to **`#FFFFFF`**.

This keeps both sections aligned with the platform's shared visual style.

11. Styling – Section Badge Consistency

In the following sections, apply the specified badge styles:

- **Programs Designed to Accelerate Your Journey**: set the **"Our Programs"** badge border color to **`#4C808A`**.
- **Testimonials**: apply the same **badge border color** to the **"Testimonials"** badge.
- **Alumni Network**: apply the same **badge border color** to the **"Alumni Network"** badge.
- **Your Roadmap from Idea to Impact**: apply the same **badge border color** to the **"Entrepreneur Journey"** badge.
- **Our Partners**: set the **badge border color** to **`#4C808A`** and also set the **badge background color** to **`#4C808A`**.
- **Frequently Asked Questions**: apply the same styling to the **"FAQ"** badge.
- The subtitle **"Everything you need to know before joining the ecosystem."** should remain as supporting text under the FAQ section.

This standardizes badge styling across the page for a more cohesive look.
